

## "The Perfect Location for Industrial Development"

December 2, 2021

To all Medley Residents:

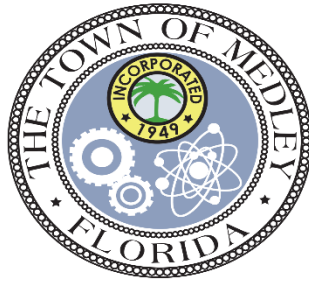

Please be advised that regular garbage pick-up is scheduled for Tuesday and Friday of each week. However, it is important that you place your regular garbage for pick-up the evening before the day scheduled for the regular pick-up.

The Town once again has modified the schedule for bulk trash pick-up. Bulk trash will be picked up two times per month, the schedule for the specific days for the bulk trash pick-up is described below. Please remember that certain items will not be picked-up such as: paint, paint cans, batteries, solvents, oils, tires, other hazardous materials, construction debris, concrete and concrete block(s). Further, bulk trash must also be placed for pick-up the night before each scheduled pickup. Please remember that your bulk trash **MUST NOT** be placed out for pickup prior to 48 hours in advance of each regularly scheduled pick up.

As always, the Town thanks you in advance for your cooperation in this matter.
