All mobile homes and added structures cannot be located closer than 10 feet from any other mobile home or permanent building within the property line to the property line of the adjacent mobile home park.

A mobile home accessory structure shall not be closer than 5 feet from any adjacent mobile home or mobile home accessory building or structure or mobile home accessory building or structure.

Exception:

An awning or carport to be erected on a lot line provided the awning or carport is constructed of material which does not support combustion (non-combustible) and it's not less than 3 feet from a mobile home accessory or structure or within 5 feet of the adjacent mobile home or an adjacent lot.
